District Policing Partnership

Local people shaping local policing

THE DISTRICT POLICING PARTNERSHIP WILL LISTEN

Do you have concerns about problems such as burglary, speeding, young people causing a nuisance or underage drinking in the Crumlin area? Does no one seem to be listening, then the members of Antrim DPP want to hear from you to talk over a cup of tea or coffee.

The DPP will be holding an informal opportunity in the Crumlin Community Centre on Tuesday 12th June, from 2.30pm to 4.30pm for anyone who lives or works in the Crumlin area to let the DPP know about what concerns you. You don't need an appointment, just drop in and tell us how the quality of your life could be improved.

The DPP wants to hear your concerns on crime and will then work with the PSNI and any other organisations that have a role to play in identifying solutions to your problems.

For further information please contact the DPP Manager on 02894463113 Extension 1348 or e-mail patrick.mckibbin@antrim.gov.uk
